

**Reuben
College**
UNIVERSITY OF OXFORD

Hello and welcome to Reuben College!

As a student of Reuben College, you're automatically a member of our student's union, the Graduate Common Room (GCR), a student-led community that exists to support Reuben students' interests and represent those interests to the College. As per our GCR Constitution and By-Laws, this involves electing students who will represent our academic, welfare, financial and community-based interests in college committees, create student support networks and organise student-led events and activities.

Some examples of events we've held in our first year include exchange dinners, bar nights, welfare teas, picnics, treasure hunts, movie nights and even our first Reuben College Charity Ball! If you have an idea of an event you would like to host, we will also happily work with you and provide some funding to try and make it a reality (within reason of course).

To kick off your time in the Reuben GCR, there will be a host of such GCR events for everyone to attend throughout freshers' week, which will officially run from Sunday 2 Oct – Saturday 8 Oct. You can expect to hear more information about the details of these events in mid-September.

In the meantime, do join the [Offer Holders College Facebook Group](#) where you can get to know each other and ask questions before you join.

As always, please let me know if you have any questions or ideas as well. You can reach me at graduate.president@reuben.ox.ac.uk.

Warmest *Reugards*,

Elliot Barbeary
